good morning

Hello, hi my name is Adam....

good morning

Hello there! Ask me about any task in the Delegation of Authority Matrix - by id (like 2.126) or just describe it - and I'll pull the answer straight from the matrix, not a guess. 

can you tell me about loans?

That's a bit broad for me to pin down to one task. Did you mean one of these: 3.687 ('Sales of Loans Page'), 2.312.1 ('Signature of Financing Agreements for ADB or ADF loans, grants, or guarantees'), 3.654 ('President's Quarterly Report to the Board of Directors (on Written-Off Loans and Investments NSOs) Page')? Or try describing the specific activity, e.g. "who approves the quarterly mission program". 

I would like to know more about 3.654

Looks like 3.654 – the President's Quarterly Report to the Board of Directors (on Written-Off Loans and Investments NSOs) – follows this flow: the SNOU Head initiates (I); the CRC, FIVP and PRST each review (R); the BOARD OF DIRECTORS gives final approval (A); and the Monitoring & Supervision Sector Manager, the PINS Officer and the PINS.2 Manger are all informed ((i)).
